Biography

05.02.1967 I was born in Pasinler, I started my education in 1974 in Rstpaa Primary School in Erzurum, but due to my father's duty, I completed 25 February Primary School in İspir District. After completing my secondary and high school education at Ispir High School, I won the Mining Engineering Department of Istanbul Technical University Mining Faculty in 1985 and got the title of Mining Engineer in 1990. In 1991, I started working at Zeybekler Coal Plant in Ermenek District of Karaman. Between 1994 and 1995, I completed my military service as the 239nd KD. In September 1996, I started to work at Atatrk University Earthquake Research Center. Between 1997 and 1999, he completed his master's degree at ukurova University, Institute of Science and Technology and obtained the title of Mining Engineer. In 2011 I started to work at Atatrk University Narman Vocational School and I am still working in this position. I am married and father of three (three) children.
