"Her şeyin bir güzelliği vardır ama herkes görmez"
Andy Warhol

Merhaba,

Selçuk Üniversitesi Güzel Sanatlar Fakültesi'nin düzenlemiş olduğu 2020 PO-MO II (POSTMODERN) ULUSLARARASI POSTA SANATI SERGİSİ'ni bu yıl Covid-19 pandemisinden dolayı sanal ortamda gerçekleştiriyoruz.

Fluxus hareketinin bir türü olarak; herkese kapılarını açan, farklı kültür ve sanat türlerini bir araya getiren Mail Art (Posta Sanatı); günümüz sanatının içinde önemli yere sahip olan, "posta yoluyla" katılım esasına dayanan bir dünya sanatıdır. Posta Sanatı, küçük boyutlu işlerin genellikle kağıt üzerinde farklı teknikler kullanımıyla yapılan, geleneksel posta yoluyla tüm dünyanın birbiriyle paylaşım yapabildiği bir platformdur. Posta Sanatı, yaş, cinsiyet, kültür ve çoğu zaman teknik ayırdetmeksizin, sanatçıların olduğu gibi sanatın dışından insanların da katılabileceği bir etkinlik türüdür.

Postmodernizm, 1960 sonrası etkisini gösteren, modernizme eleştiri olarak ortaya çıkan anlayışa verilen isimdir. En büyük özelliği "eklektik" olarak tanımlayabileceğimiz "çoğulcu" yapısıdır. Postmodernizm sanatta kurallar ve sınırları kaldıran bir "özgürlük" alanıdır. Bu nedenle projemizin teması "PO-MO (Postmodern) olarak belirlenmiştir.

45 Ülkeden 685 Sanatçının katılımıyla, 21 Eylül-10 Ekim 2020 tarihinde sanal ortamda gerçekleşen sergimizde 850'nin üzerinde eser sergilenmiştir. Sergimize Almanyadan 18, Amerikadan 21, Arjantinden 8, Avustralyadan 1, Avusturyadan 2, Belarustan 1, Belçikadan 4, Brezilyadan 12, Çek Cumhuriyetinden 2, Endonezyadan 1, Finlandiyadan 1, Fransadan 1, Hırvatistandan 1, Hollandalardan 4, İngiltereden 6, İrandan 7, İspanyadan 8, İsrailden 1, İsviçreden 1, İtalyadan 36, Japonyadan 4, Kanadadan 3, Karadağ'dan 1, Kolombiyadan 1, Kosovadan 1, Kosta Rikadan 1, Lehistandan 1, Macaristandan 5, Makedonyadan 2, Meksikadan 6, Polonyadan 4, Portekizden 1, Romanyadan 12, Rusyadan 9, Sırbistandan 6, Şiliden 2, Tayland'dan 1, Tayvandan 3, Türkiyeden 475, Ukraynadan 2, Uruguay'dan 1, Venezueladan 2, Yeni Zelandadan 1 ve Yunanistandan 3 sanatçı eserleriyle katılmıştır.

Sergimize katılan tüm katılımcılara ve projemizde emeği geçen herkese teşekkür ederim. Diğer projelerimizde görüşmek üzere şimdilik sağlıklı kalın...

"Everything has beauty, but not everyone sees it"
Andy Warhol

Hello,

This year, we are organizing the 2020 PO-MO II (POSTMODERN) INTERNATIONAL POSTMODERN EXHIBITION, organized by the Faculty of Fine Arts of Selçuk University, in a virtual exhibition due to the Covid-19 pandemic.

As one type of the Fluxus movement; Mail Art, opening its doors to everyone and bringing together different types of culture and art, is a world art which has an important place in today's art and is based on participation by "mail." Mail Art is a platform where small-sized works are usually created by using different techniques on paper and all world can share with each other through the traditional mail. Postal Art is a type of activity not only for artists but also for the people from outside art participate, regardless of age, gender, culture, and often technique.

Postmodernism is the name given to the understanding that emerged as a criticism of modernism, which showed its effect after 1960. Its greatest feature is the "pluralist" structure that we can define as "eclectic". Postmodernism is an area of "freedom" that removes rules and boundaries in art. For this reason, the theme of our project has been determined as PO-MO (Postmodern).

With the participation of 685 artists from 45 countries, over 850 works were exhibited in our exhibition, which took place on a virtual exhibition between 21 September-10 October 2020. 18 from Germany, 21 from America, 8 from Argentina, 1 from Australia, 2 from Austria, 1 from Belarus, 4 from Belgium, 12 from Brazil, 2 from Czech Republic, 1 from Indonesia, 1 from Finland, 1 from France, 1 from Croatia, 4 from Holland, 6 from England, 7 from Iran, 8 from Spain, 1 from Israel, 1 from Switzerland, 36 from Italy, 4 from Japan, 3 from Canada, 1 from Montenegro, 1 from Kolambia, 1 from Kosovo, 1 from Costa Rica, 1 from Poland, 5 from Hungary, 2 from Macedonia, 6 from Mexico, 4 from Poland, 1 from Portugal, Romania 12, Russia 9, from Serbia, 6, Chile, 2 from Thailand 1, Taiwan 3, from Turkey, 475 from Ukraine 2, Uruguay 1 Venezuela from 2, 1 and Greece from New Zealand participated in three of the artist works.

I would like to thank all the participants of our exhibition and everyone who contributed to our project. Stay healthy for now to see you on our other projects ...

Mail Art is an international
community art and design
project, founded by Kevin
and James Gillen.
Our Facebook page displays
creative envelopes designed
for the project by artists from
all over the world. You can
take part in the project too.
