TAŞ TEPELER

"KARAHANTEPE"

To describe Şanlıurfa requires a heart, a soul, and an intention

But in these excavations, we did not encounter any cultivated plants or domesticated animals, especially in Göbeklitepe

A medium shot of Mayor Zeynel Abidin Beyazgöl speaking. He is a middle-aged man with grey hair and a mustache, wearing a dark blue suit, a light blue shirt, and a dark blue tie with a small white pattern. He is looking slightly to his right. The background is a blurred archaeological site with a large earthen mound. Two people are visible in the distance on the ridge of the mound. The sky is clear and blue.

Zeynel Abidin Beyazgöl

Şanlıurfa Büyükşehir Belediyesi - Belediye Başkanı

I guess people who come to Şanlıurfa see the first beginning of history, but it is possible to see many different phases of history here.
